fully certified
with years of
experience**

Removals and Shipping

What do we do?

- We partner with established and trusted partners on the island of Cyprus and many other countries to provide removals and shipping.
- We arrange for an initial discussion with the removals and shipping team to understand your requirements and to arrange a video or on-site consultation.
- Our partners will then either conduct the video call or an on-site consultation so that they can accurately assess the scale of the removals and any specific shipping requirements e.g. vehicles etc.
- We will then liaise with the partner to obtain an accurate quotation for the removals and shipping of your belongings to Cyprus.
- We liaise with the partner to manage the removals and shipping of your belongings either via a dedicated container or shared container (depending upon the amount of goods being shipped).
- Our team will track the status of your shipment and ensure that any local customs requirements are managed by the partner.
