RELOCATION & INVESTMENT SERVICES

YOUR MOVE. YOUR NEW LIFE.

Cyprus. Fully managed.

From planning your relocation to feeling at home on the island.

One move. One dedicated manager.

Fully Managed Relocation Service

We manage the whole end-to-end process of relocating to Cyprus. Your dedicated relocation manager brings together trusted partners, practical arrangements and personal support — from your first plans to settling into island life.

01

Understand your plans

We start with your household, preferred location, timeframe and priorities, including your intended residency route.

02

Build your relocation plan

We discuss the services you need and shape a proposal around your circumstances.

03

Coordinate the move

Your manager works with trusted specialist partners and keeps the different arrangements connected.

04

Help you feel at home

Support continues as you find your feet, meet people and build connections on the island.

Partner services and third-party fees are identified separately from relocation management.

Your relocation. Connected in one place.

Alongside your dedicated relocation manager, our client portal gives you a convenient place to view your relocation plans, share documents securely and get support throughout your move.

01 See your relocation plans

Access your relocation plans through the portal, so you can refer to the arrangements for your move in one place.

02 Upload documents securely

Use the client portal to securely upload the documents needed for your relocation.

03 Ask questions and get support

Ask questions, request more information and receive detailed support from our team as you work through your relocation.

Personal support.**

A practical way to stay connected with your relocation manager and get the help you need.

SETTLE IN. REACH OUT. BELONG.

A new home. A new circle of friends.

A successful relocation is about more than moving your belongings. It is about feeling comfortable in everyday life, finding familiar places and meeting people you enjoy spending time with.

We help you connect with the local community and explore ways to meet people who share your interests. Our moderated Facebook group is a place to ask questions, share experiences and start making connections before you arrive.
